2017 Summer Playground Program

SELF-ADMINISTRATION OF MEDICATION AUTHORIZATION/APPROVAL

Self-administration of an Epi-Pen or Inhaler must be authorized by the Prescriber and Parent or Guardian for those children who will need to administer medication during camp. We do not have a nurse or medical professional on site at the program. There will be staff certified in first aid, CPR, blood borne pathogens, and concussion identification. Staff will be directed to call 911 in the event of an emergency or issue that is outside basic First Aid.

Please complete and return this form by June 5.

Email it to zphilippas@seymourct.org OR mail it to 20 Pine Street, Seymour, CT 06483.
